I'm used to violence from girls.

My body is so strong

That the only way I bleed is if I hurt my -self.

I'm Tonakai, member of the Horned Clan.

Are you friends with Santa?

All he needed was reindeer blood.

Pretty good, ain't it?

You're welcome.

So today's menu is a whole roasted baby pigeon.

What a gorgeous way to celebrate the National Day.

I guess we'll have to settle for pigeon meat ...Chickens are a luxury item.

I'd glad to see how the food for Christmas is.

Now that we have Santa and his reindeer all together.

Totally! It was nice to meet you.

We've finally met, haven't we?

I'm not talking about that!

Oh...That's right, thanks for fixing my right hand.

Y'know, Santa and the reindeer descend -ants have met just now?

No... What?

Aren't you the least bit interested!?

What we're going to do...

Our family history!

There's more to it than that! More to talk about!

I'm not done eating.

Let's clean up.

Is it because I've never been this attatched to anyone before?

Is it because I'm too popular?

Or is it because the rein-deers are getting impatient Santa interested in them?

It it the reindeer blood in me?

...I...

...Wait

What am I getting so despreate for?

(Okuma)

I have friends who have been searching for it with me.

I'm trying to find my own of being Santa Claus.

But there's a lot at stake, and I'm not gonna drag you into it, too.

But... but...

What can the reindeer do for Santa?

Let me ask you this.

I CAN BRING THE DEAD BACK TO LIFE!

You can't transform, you only have a strong body. What good would that do to Santa Claus

What good? There are plenty! Firstly,

Why don't you just date both?

I've got two handsome guys fighting for me

!?

GRAB

It's true.

What!? You're just trying to get Sanda's attention...

And my reindeer's reinforced blood.

That's how powerful it is.

When mixed together, they can bring life back.

With Santa's regene -rative blood...

AH-

Not again!

That's... a magic trick! He's a magician!

I can try some more.

Is there anyone you'd like to bring back to life?

You think different about me now, don't you, Santa?

In the face of his fearsome power...

Horrific Sunday at work, but at least I got off at 4 B)

Hope you enjoyed this week's chapter! I did my placement exams, did surprisingly well and bad on the English one (71, and 62). And did good on my beloved subject, Math (88, 81, 72)!

Also, my classes should start August 19!
So uhhh, expect a slight drop in the quality!
